

GET TO KNOW YOUR IBEW LOCAL 145 FAMILY MEDICAL CENTER

Coming January 25!

Serving IBEW Local 145
Members and Their Families
Covered Under the Benefits Plan

WELCOME TO ACTIVATE HEALTHCARE!

Activate Healthcare is excited to partner with NECA Local No. 145 IBEW Health & Welfare Plan, offering members and their dependents covered under the benefits plan the IBEW Local 145 Family Medical Center powered by Activate Healthcare in Davenport, Iowa. The family medical center provides members, spouses and their dependents (over age 3) covered by the benefits plan access to convenient and comprehensive primary care, delivered by experienced healthcare providers.

ACTIVATE HEALTHCARE'S SERVICES INCLUDE:

- + Preventive care – Annual wellness exams, preventive screenings such as hypertension, metabolic health, diabetes, and more.
- + Primary care – Infections, cold & flu, digestive issues, sprains & strains, rashes, and minor procedures such as mole and wart removal and minor wound treatment.
- + Condition management – Diabetes, high blood pressure, high cholesterol, asthma, arthritis, coronary heart disease, COPD, sleep apnea, and more.

ACTIVATE HEALTHCARE'S SERVICES ARE:

- + Affordable – No out-of-pocket costs to members, spouses and their dependents covered by the benefits plan
- + Confidential – Patient information kept confidential as required by law
- + Convenient – More time with the provider and less time waiting

MEET YOUR TEAM.

KARL TREIBER, DO

Dr. Treiber is a board-certified physician specializing in family practice. He earned bachelor's degrees in biology and chemistry from Luther College and his Doctor of Osteopathic Medicine and Master of Healthcare Administration degrees from Des Moines University. Dr. Treiber's hometown is Davenport, Iowa. In his free time, he likes archery hunting, boating and fishing. His wife is a physical therapist, and they enjoy following the activities of their son in high school and daughter in college.

Get started with your Activate Healthcare provider.

Imagine the doctor's office, the way it used to be — when providers had time to really know and care for their patients. Now fast forward to your IBEW Local 145 Family Medical Center — where you get longer appointments, after-hours access to medical professionals, along with same or next-day appointments for urgent needs. It's a modern approach to the kind of care providers used to give. All at no cost to IBEW Local 145 members, spouses and their dependents covered by the benefits plan.

GREAT CARE, NO HASSLE

- + Easy online scheduling, or call to schedule an appointment
- + Flexible medical provider availability
 - Clinic hours that work with your schedule
 - Same or next-day sick visits and urgent needs
 - After-hours access to medical professionals
 - Virtual Care appointments by phone and video using any computer or mobile device

LESS WAITING

- + Less waiting and more time with your medical team
- + Secure patient portal at your fingertips 24/7 for you to conveniently schedule appointments, message your provider, view lab results and more

SAVE MONEY

- + No out-of-pocket costs for medical visits for members, spouses and their dependents covered by the benefits plan
- + No-cost generic drugs when prescribed by the on-site clinician and dispensed at the clinic
- + No charge for commonly ordered labs performed at the clinic

LOSE NOTHING

- + There is no need to switch doctors or stop seeing a preferred specialist.
- + You can choose Activate Healthcare as your primary doctor if the relationship is a good fit for you.

THERE'S NO CATCH

- + Activate Healthcare provides all these services.
- + You can use your IBEW Local 145 Family Medical Center as much or as little as you need.

PARTNER WITH AN EXPERIENCED PRIMARY CARE PROVIDER

Activate Healthcare provides a broad scope of primary and preventive care services.

- + Complete primary and preventive care for covered members, their spouses and children
- + Annual health and wellness visits, including healthy lifestyle coaching, biometric and preventive screenings, and well-child and well-woman visits
- + Chronic condition management such as diabetes, high blood pressure, high cholesterol, asthma, arthritis, coronary heart disease, COPD, sleep apnea, and more
- + Care coordination with specialists and outside imaging/testing providers, plus referral management and follow-up
- + Emotional health evaluations and referrals for psychiatric care, guidance on stress coping techniques and work-life balance
- + Lab work and blood samples performed at the medical center
- + Acute care for infections, cold & flu, rashes, sprains & strains and digestive issues
- + In-office treatments, including basic wound care, stitches and splinting, and skin procedures such as mole and wart removal
