## INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS

March 17, 2020

Dear Brothers & Sisters,

As you are aware, we are going through unprecedented times with the Coronavirus [COVID-19] pandemic. IBEW Local #145 is closely monitoring the impact of COVID-19. The safety and well-being of our members and their families is our main concern.

**In an effort to limit the foot traffic in the office, we encourage you to call the union office at (309) 736-4239 and we will take care of your business over the phone or email if we can.**

As of 3/17/2020:

Administration Office: The IBEW Local #145 Administrative Office will run as normal with hours being Monday through Friday from 7:30AM to 4:30 PM. Additionally, we are monitoring the CDC guidelines daily. The Business Manager and the Business Representatives will be in the office. Please do not hesitate to call; we are here to answer questions that you may have! If we need to shut down the Administration Office we will work remotely and the office phones will forward to our cell phones.

Referral Procedures: At this time, the referral procedures will remain the same unless different arrangements are made with the Business Representatives during the COVID-19 pandemic.

Union Meetings: Per the CDC guidelines, we will evaluate holding the regular monthly union meetings. However if we need to cancel a regular monthly union meeting, notice will be posted on our website, on the recorder or by mail announcing the cancellation of the meeting.

We have no idea how long COVID-19 will last. We will make any adjustments necessary to keep the IBEW Local#145 members and their families safe during these times.

We urge **ALL** Brothers & Sisters of IBEW Local #145 and their families to please be careful and take all the proper precautions to stay healthy and safe. For more information on COVID-19 and how to protect your family, please visit [www.cdc.gov](http://www.cdc.gov).

In Solidarity,

  
Cory Bergfeld  
Business Manager
